Graphics Designer

ABOUT ME

Passionate Front-end Developer with **6+ years** of experience building scalable, high-performance web applications. Skilled in ReactJS, NextJS, and modern UI/UX practices. I focus on creating clean, responsive interfaces that deliver exceptional user experiences and collaborate effectively with cross-functional teams.

EXPERIENCE

Front-end Developer | UI/UX Developer | Graphics Designer

April 2023 - Present

Remote Healthcare Technologies Pvt. Ltd.

Currently working in a cross-functional role combining front-end development, Full Stack Development (with help of AI), & visual graphic design.

Front-end Developer | Website Designer

2019 - April 2023

Crisil Infotech | Bhopal, India

Worked on designing and developing responsive websites with a strong focus on UI/UX, performance, and cross-device compatibility.

Collaborated with teams to convert design concepts into functional interfaces and maintained consistency across multiple projects.

EDUCATION

Bachelor of Computer Applications (BCA)

2023 - 2026

Sadhu Vaswani Autonomous College

Focused on computer fundamentals, web technologies, and software development.

Built a strong foundation in programming, UI development, and problem-solving while actively working on real-world design and development projects alongside academics.

Higher Secondary (XII) - Commerce

Bhopal, Madhya Pradesh
